TO: All EVOC Instructors
FROM: Ed “Bubby” Bish, EVOC Course Coordinator
REF: MOU with Virginia Department of Fire Programs

Greetings to all!

As we prepare for the upcoming Holidays allow me to wish you, your families and squad families a most health, happy and prosperous time. May your Holidays be the kind that great memories are made of for each of you!

I wanted to share with you that we have a signed Memorandum of Understanding with the Virginia Department of Fire Programs (DFP).

The following are the things that you must do:

- **All students wishing DFP Certification recognition must complete each level of driving. Please note that the road test along with commentary driving is required.**
- **If students wish DFP Certification/recognition you will be required to submit a separate instructor form with a different course identification number that we will provide to you. This information will be included in the instructions packet that you already receive from the VAVRS Office.**
- **Since July 1, 2008 the VAVRS Office has been sending information out to each of you of additional required course documentation. This information MUST be completed and submitted with your scantron forms for each class.**

If you need further clarification, please feel free to contact me.

Thank you for your continued support of our EVOC training program.
